

The JMO Scholarship

Jill Michelle Orme was a proud member of the Tindley staff that believed fully in the unlimited potential of Tindley scholars. She passed away in June of 2018 and her family has established a scholarship program in her honor.

The JMO Scholarship is a unique program for Tindley seniors. The scholarship is granted each spring to the scholar that best represents the “Total Person Performance” while at Tindley. Total Person Performance incorporates strong academics balanced with activities within the school and the community. Applicants should be prepared to discuss their post college aspirations and ambitions as that will factor strongly into the selection process.

The scholarship is one time award of \$5,000 to be deposited in the students bursar account and used for any related educational expense.
