## Online Reading Resources

Grade Level	Website	Description
K-2	<a href="http://www.starfall.com">www.starfall.com</a>	Teaches students how to read using phonics.
K-3	<a href="http://www.freereading.net">www.freereading.net</a>	Allows parents/guardians/tutors to download picture cards, audios, and videos. Focus is on literacy skills.

K-4	<a href="http://www.adrianbruce.com">www.adrianbruce.com</a>	This site includes word, phonics, and reading games. There is also a section on improving reading comprehension.
3	<a href="http://www.ed.gov/pub/CompactforReading">www.ed.gov/pub/CompactforReading</a>	Reading and literacy skills activities to help children develop their ability to read and write
K-2	<a href="http://www.Pbskids.org/read/">www.Pbskids.org/read/</a>	Free games and activities
PreK-4	<a href="http://www.mightybook.com/free-to-read.html">www.mightybook.com/free-to-read.html</a>	Text to read, children's books, music and puzzles
K-2	<a href="http://www.learningtoday.com/">www.learningtoday.com/</a>	Reading games and activities that help build key reading skills in phonemic awareness, phonics, sight words, vocabulary, and comprehension.
PreK	<a href="http://www.shirleys-preschool-activities.com">www.shirleys-preschool-activities.com</a>	Kids get hooked on books at an early age. Preschool reading skills are developed.
K-8	<a href="http://www.sheppardsoftware.com">www.sheppardsoftware.com</a>	Free activities, lessons, and games

**\*\*\*Note to parents/guardians – These sites are intended to help your child(ren) develop/strengthen reading skills. Reviewing test scores and classroom assignments, along with communicating with your child(ren)'s teachers will assist you in deciding what skills should be addressed.**

<b>Online Math Resources</b>		
<b>Grade Level</b>	<b>Website</b>	<b>Description</b>
<b>K-8</b>	<b>Math Dictionary</b> <a href="http://www.amathsdictionaryforkids.com/">www.amathsdictionaryforkids.com/</a>	A visual dictionary to help students understand math terms. A probability game is included.
<b>2-8</b>	<b>Fractions</b> <a href="http://www.visualfractions.com/">www.visualfractions.com/</a>	Interactive site helps students practice fractions.
<b>PreK -1</b>	<b>Concepts and Skills</b> <a href="http://www.abc.net.au/countusin/default.htm">www.abc.net.au/countusin/default.htm</a>	This 15 game website helps learners practice math concepts and skills in an interactive format. The games can also be downloaded for use without the Internet.
<b>2-5</b>	<b>Math Games</b> <a href="http://www.hoodamath.com/games/index.php">www.hoodamath.com/games/index.php</a>	This site contains sets of interactive games which include logic and

		geometry.
K-7	Math Games <a href="http://www.mathplayground.com/index.html">www.mathplayground.com/index.html</a>	Site includes math games. Word problems are available with video game-like features. Short, fast paced videos answer math questions submitted by the student to the web site.
1-3	Math Games <a href="http://www.weeklyreader.com/kids/games/add.asp">www.weeklyreader.com/kids/games/add.asp</a>	Students are presented with timed number sentences. The goal is to click on the necessary numbers in the large on-screen grid.
K-8	Math Reinforcement of Skills <a href="http://www.aaamath.com/">www.aaamath.com/</a>	A comprehensive set of interactive math lessons. Unlimited practice is available for each topic which allows thorough mastery of the concepts at each student's current instructional level.
K-8	Flash Cards <a href="http://www.aplusmath.com/Flashcards/index.html">www.aplusmath.com/Flashcards/index.html</a>	Online flashcard options for at-home practice. Included is a custom flash card creator for making printed sets.
K-8	Math Resources <a href="http://www.ginaotto.com/math.html">www.ginaotto.com/math.html</a>	This site provides links to math resources, lessons and other interactive math sites
k-8	<a href="http://www.math-drills.com">www.math-drills.com</a>	Free math fact printable worksheets
preK-8	<a href="http://www.Sheppardsoftware.com">www.Sheppardsoftware.com</a>	Free activities, lessons, and games
