

TINDLEY

ACCELERATED SCHOOLS

New Tindley Accelerated Schools CEO/CAO

Dr. Brian Metcalf

Most recently, Dr. Metcalf served as Managing Director of Impact for a large non-profit education company in Chicago that serves 28 schools in the district. He oversaw the day-to-day operations of more than 300 employees and drove the organization's strategy, which included learning and development, analytics and coaching. Prior to this role, he spent over 20 years in Chicago Public Schools, where he was an assistant principal and principal both at the elementary and high school level, curriculum developer, and high school Spanish teacher. He served as Chief of Schools where he specifically managed a portfolio of 32 schools throughout the district.

I am humbled by this amazing opportunity to continue building on the strong legacy and rich history of Tindley. I look forward to leading this incredible organization to write its next chapter with a commitment to equity as embodied by Rick Riordan's quote "Fairness does not mean everyone gets the same. Fairness means everyone gets what they need." I am proud of the work I've been able to accomplish in education over the past 20 years. I've been fortunate to sit in every imaginable seat, most recently Chief of Schools, principal at a high school and elementary school, assistant principal, district employee and teacher. I plan to leverage these experiences with the Tindley community.
